**ELECTRONIC PAYMENTS AND TOTALTRANSACT**

Urological Surgeons of Northern California, Inc. goal is to provide you with the best, most current medical care available in a positive and supportive environment. Today insurance plans are becoming more complicated in how they determine what the medical practice can collect and what the patient actually owes. Insurance plans now have numerous different co-payments and deductibles that are often confusing to their clients and can even elude the smartest medical practice office manager. What a patient actually owes once insurance pays its portion is a function of the individual's co-payment, deductible, maximum out-of-pocket expenses and where the patient falls within this continuum.

In an effort to streamline this system and make it more cost effective for everybody we are asking every patient to provide us with a credit card, HSA debit card, or a voided check at the time of service. Nothing will be charged to your credit card or checking account until the Explanation of Benefits (EOB) returns from your insurance company and we can enter the contractual write-offs and amount paid by your insurance company into our system. The only amount charged to your credit card or checking account will be the PATIENT RESPONSIBILITY portion as defined on your insurance company's EOB (similar to an invoice). The maximum amount charged to your credit card, HSA debit card, or checking account at any one time will be the lesser of your patient responsibility or \$250. You will receive an E-MAIL notification with the amount charged to your credit card or deducted from your checking account. This will significantly reduce the costs of repeat statements and collection attempts. As a small business operating on fixed insurance reimbursements with rising costs and expenses, we must do everything possible to reduce the length of time that we extend credit to our patients. Thank you for your cooperation and understanding.

**AUTHORIZATION TO CHARGE MY CREDIT CARD, HSA DEBIT CARD, OR CHECKING ACCOUNT FOR THE "PATIENT RESPONSIBILITY" PORTION OF MY INSURANCE PAYMENT**

I authorize Urological Surgeons of Northern California, Inc. and TotalTransact, Inc. to charge my credit card, HSA debit card, or my checking account with the balance due (patient responsibility) portion of my insurance explanation of benefits (EOB). I understand that I can dispute the charge at any time with my credit card company or TotalTransact, Inc; however the actual amount of the charge can only be disputed with my insurance company. If I feel the "patient responsibility" portion of the explanation of benefits (EOB) is inaccurate, I must resolve this issue directly with my insurance company. Any change in the EOB by the insurance company will be reflected as a credit or additional charge on my credit card, HSA debit card, or directly in my checking account.

## Financial Policy

Welcome to our office. Thank you for choosing us for your care. The following is a statement of our Financial Policy which must be read and signed prior to any treatment. We hope this helps to answer any questions you may have regarding our billing policies.

### Insurance:

Our office contracts with most insurance companies. Your Insurance Company provides you with proof of insurance that must be presented prior to all services. We bill all primary insurance plans for our patients. *Payment for co-payments, deductibles, and payment for any non-covered service is required at the time of your visit. Services not considered reasonable or medically necessary by your insurance will be patient responsibility.* If you have no insurance, your account will be treated as a cash account and we will collect payment in full at the time of service. For your convenience we accept check, cash, Visa, and MasterCard.

Your individual insurance plan is an agreement between you and your insurance company. It is necessary for you to know the specific details of your plan. If your plan requires a referral for specialty services, it is especially important to notify us if there are restrictions on referrals to outside facilities for services. It is your responsibility to arrange for all appropriate referrals and authorizations required for insurance payment. You will be liable for all charges billed for outside providers if they are not contracted with your plan and you have not received the proper pre-authorization. It is your responsibility to know if your referral has expired and to obtain a new referral if needed.

### Patient Information:

You will be asked to fill out a patient information form at your initial visit and each year thereafter. In order to keep our file up to date, please inform us of any changes to your information such as a new insurance coverage, address, telephone number, medical history, or medications.

### Missed Appointments:

Please cancel your appointment at least 24 hours in advance. If you fail to cancel before this time, you may be charged a missed appointment fee of \$50 for office visits, and \$150 for procedures. Please help us to serve you better by keeping your scheduled appointments.

### Returned Checks:

A fee of \$25 will be charged for a returned Check

### After Hours Services:

All non-emergency services rendered after regular business hours are subject to an additional fee. Our regular business hours are Monday through Friday, 9:00 AM – 5:00 PM excluding holidays.
